

HOUSE RULES BEST KEPT SECRET

By buying an admission ticket and/or entering the event site, the visitor agrees to the house rules below.

1. Visitors must adhere to the house rules and instructions of the organization and (local) authorities.
2. If the organization deems this reasonably necessary to maintain peace and order during the event, in any case if public order or safety is endangered during the event, it has the right to deny the visitor (further) access to the event and/or remove them from the event site.
3. Visitors enter and attend the event at their own risk. The organization is not liable for loss, theft or damage to visitors' belongings or for health damage such as, but not limited to, hearing and sight damage and other disorders.
4. Persons under the age of 16 will only be admitted if they are accompanied by a person of 18 years or older.
5. Access to the event is only granted upon presentation of a valid admission ticket in combination with a valid ID.
6. The wristband that is obtained on arrival at the event must be worn on the wrist for the entire duration of the event. A wristband that is not worn on the wrist does not give access to the event.
7. To enable the organization to comply with its legal obligations, visitors must be able to identify themselves upon request. This applies, for example, in relation to the Alcohol Act, which states that no alcohol may be served to visitors under 18. Upon arrival, persons under the age of 18 receive a separate or different wristband.
8. The organization reserves the right not to serve alcohol to a visitor who is old enough to buy alcohol, but who comes together with friends who are not yet 18, when it is clear that the alcohol is also intended for them.
9. Registration of the event without the express prior written consent of the organization in any form whatsoever, including professional photography, filming and making sound and/or image recordings for commercial purposes, is prohibited. It is also prohibited to reproduce or distribute content from the program booklet, posters, or other printed materials.
10. The following items are not permitted to be brought onto the event site: food, glassware, cans, camel bags, large or heavy bags, pets (except assistance animals), (folding) chairs, stools, inflatable objects, umbrellas, parasols, selfie sticks, flags and flagpoles, separate refills or liquids for e-cigarettes or vapes, drugs, fireworks, weapons and firearms, dangerous items, such as aerosol cans or CS gas. Mini (travel) deodorant sprays up to 50 ml are permitted. Professional photo, film, and audio recording equipment may not be brought in without prior approval by the organization. Small handheld powerbanks for charging mobile phones are permitted. Larger battery packs, portable power stations, e-bike batteries, and powerbanks with AC outlets are not allowed. Water bottles (such as reusable plastic bottles or flasks) are allowed if empty. You may bring a light (back)pack or small backpack; these will be checked by security at the entrance.
11. Heavy medication, food or liquids required for medical reasons may be brought in, but only if accompanied by a medication passport or a signed medication overview from a pharmacy. These documents are available free of charge at any pharmacy – please note that requesting them can take up to three weeks.
12. The organization will confiscate or have confiscated items that are not permitted at the entrance. Illegal things are handed over to the police.
13. Visitors may be searched by security at the entrance. Visitors who refuse to cooperate may be denied access to the event.

14. The organization provides the visitor with a cup token that can be exchanged for a drinking cup (soft cup) at the regular bars. An empty and recyclable cup can then be exchanged at the regular bars for a new cup or a cup token. The organization accepts a maximum of 20 cups per visitor at the same time. Non-recyclable (i.e., broken, heavily soiled, etc.) cups cannot be exchanged. The visitor is then offered an option to purchase a new cup against payment.
15. Smoking is strictly prohibited inside tents, canopies, and (temporary) structures. If a visitor's actions lead to a fine for the organization, the visitor will be held liable for the associated costs.
16. Crowd surfing, lighting fires, and engaging in commercial activities on the site are not permitted.
17. Wearing clothing or items that display logos, symbols, or slogans of professional football clubs, motorcycle clubs, or any group or affiliation that may incite unrest, provoke others, or cause disruption – including political movements, activist organizations, or fraternities – is not permitted.
18. Expressing oneself in an offensive, discriminatory, or insulting manner – as well as wearing or distributing such symbols or items – is strictly prohibited.
